Additional Information:

It is necessary to provide gender and height information for all Wushu instruments, including competition knives, swords, southern knives, sticks, and guns, for both men and women.

In order to acquire shoes, it is necessary to provide size and color information.

When buying clothes, it is necessary to provide gender, height, and weight information.

Performing clothes are generally of good quality. The cost will increase if you require more advanced costumes.

Inquire if there is any equipment you want that is not listed in the catalog.

Ordering Long Weapons

All equipment displayed on the Catalog already includes the cost of shipping from China to Portugal in the final price, except for long weapons.

The final price for the long weapons will be determined by the number of orders received. The price per person decreases as more people order long weapons.

After you order the long weapons, you should wait for our price confirmation on July 5th. Then you'll have a week to accept the price or decline it. The value indicated on July 5th may be modified by the withdrawal of orders. Only on July 12th, will you receive the final price.

To facilitate communication until the order is complete, customers who order long weapons will receive our contact information.
